

DRESS AND APPEARANCE CODE

The student uniform policy is an integral part of the security, discipline, classroom expectations, and safety protocol of St. Linus Catholic School. Uniforms are a way to quickly identify St. Linus students in and out of the building, teach personal responsibility, eliminate fashion distractions and prevent accidents involving jewelry during classroom, physical educational and recreational activities.

A student's exterior dress sets an atmosphere and tone for the important task of education. Parents/guardians are required to cooperate in having their children comply with the dress and grooming code adopted by St. Linus Catholic School.
